About Us

SPARK (Student Platform for Accelerating Resourceful Knowledge) isn't just another student organization; we're a community dedicated to fostering innovation, collaboration, and personal development among students.

Academic Enrichment

SPARK is dedicated to fostering intellectual growth through innovative learning experiences, interactive workshops, and expert-led sessions. We provide access to academic resources, research opportunities, and training programs designed to enhance students' knowledge and critical thinking. Our goal is to create an engaging environment where students excel academically and build a foundation for lifelong learning.

Entrepreneurial Support

SPARK nurtures entrepreneurial talent by offering mentorship programs, startup incubation support, and networking opportunities with industry experts and investors. Through business model workshops and real-world case studies, we empower students to transform ideas into impactful ventures. Whether launching a startup or developing entrepreneurial skills, SPARK equips students with the tools and confidence needed to succeed in today's dynamic economy.

Skill-Building Opportunities

Recognising the importance of holistic development, SPARK offers hands-on workshops, project-based learning, and internship opportunities to develop essential skills. From technical proficiency to soft skills like communication and leadership, our initiatives ensure students are industry-ready and prepared for both academic and professional challenges.

Through academic excellence, entrepreneurial guidance, and skill development, SPARK aims to inspire and empower the leaders of tomorrow.

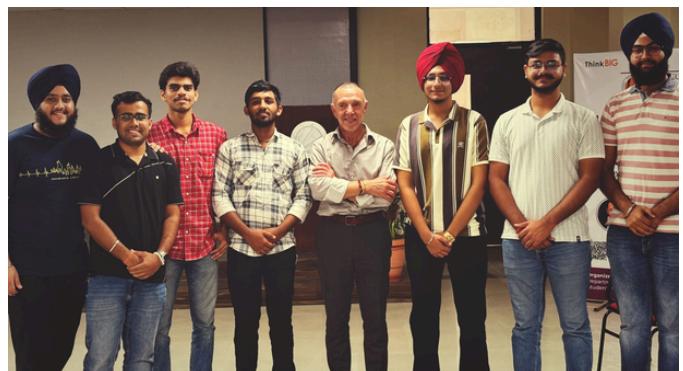

Achievements this year

This section showcases SPARK's key milestones, impactful events, and collaborations achieved throughout the year.

INTERNATIONAL INNOVATION BOOTCAMP

From September 17th to 20th, SPARK successfully hosted the Startup Bootcamp at Lovely Professional University, led by Mick Walvisch RM from NGO PUM (Holland). Mick's mentorship provided valuable entrepreneurial insights, inspiring participants with his expertise and passion for startups.

We were also honored to host Mr. M P Singh, a successful business owner, who shared his journey, challenges, and sought student advice on growth strategies.

Empowering
students to think
creatively and
turn ideas into
impactful
solutions.

TECHSPRINT 2.0

SPARK successfully hosted TechSprint on November 19-20, in collaboration with Lovely Professional University and Delhi Public School - India. The event featured challenges like IdeaPitch, Water Rocket Challenge, Innovation Marathon, DigiLogo, and Math & Science Puzzle, pushing participants to think critically and explore innovative solutions. With smooth coordination and enthusiastic participation, TechSprint became a dynamic platform for creativity and learning.

Inspiring innovation and teamwork to solve challenges creatively.

SMART INDIA HACKATHON

We are pleased to announce that the SPARK team successfully managed the Smart India Hackathon at Lovely Professional University. The event brought together students, mentors, and industry experts to collaborate and tackle real-world challenges through innovative solutions. With diverse problem statements, participants showcased their creativity and technical skills, making the hackathon an engaging and impactful experience for all.

Collaboration and innovation drive impactful solutions to real-world challenges.

INTELLECTUAL PROPERTY & TECHNOLOGY TRANSFER WORKSHOP

SPARK successfully managed the Intellectual Property & Technology Transfer Workshop, organized by AICTE & Ministry of Education in collaboration with Lovely Professional University. The workshop explored patent processes, AICTE initiatives, and government policies fostering innovation. Thanks to Mr. Ankush for an insightful session, offering participants valuable knowledge on intellectual property and technology transfer.

Empowering innovation through knowledge, protection, and effective technology transfer.

PUNJAB VISION 2047

Team SPARK attended Punjab Vision 2047 at Panjab University, Chandigarh, on 12th-13th November, engaging with leaders like Hon. Governor Shri Gulab Chand Kataria, CM Shri Bhagwant Singh Mann, Mr. Vikramjit Singh Sahney, and Dr. Harjot Singh Bains. Discussions spanned education, health, and governance, emphasizing youth's role in shaping Punjab's future—an inspiring and insightful experience.

Shaping a better future begins with collaboration, vision, and empowered youth.

Next Steps

**Where do we go from here?
Progress reports are not just about
looking back, but also looking forward.**

This section outlines our strategy for continuing the good work done so far.

01

Collaborative Initiatives

Partnering with institutions and industry experts for knowledge-sharing events.

02

Innovation Challenges

Hosting competitions to foster creativity and problem-solving skills.

03

Community Engagement

Creating opportunities for students to contribute to meaningful social projects.

Acknowledgements

We thank our team without which none of this would have been possible.
